

LESSON 2 : Identifying Barriers to Inclusion		Time : 40 to 80 minutes
ACTIVITY 4 : Interview		
Curriculum Expectation(s) : •		
Learning Objectives: Understand on a deeper level the various barriers with which my group of interest is faced.		
1 Reach out to a person or group of interest in my community and arrange an interview (in-person, by phone, skype, etc.). Develop a list of sensitive and open-ended questions for my interviewee(s).	2 Interview a person or group of interest to outline and identify the barriers they face on a daily basis, and on a systemic level.	3 Modify / add to Mind Map from Activity 3 as needed.
Prompts : What are some of the challenges that you face on a daily basis? What is it you wish others knew about you or your group? What are some of the more systemic barriers you and your group face? What could others do to be better allies and to include you or your group more wholly?		
Materials : <input type="checkbox"/> Interview questions sheet (to be developed by students) <input type="checkbox"/> <i>Optional : recording device</i> <input type="checkbox"/>
